PROFILE

ICT support and technical operations professional with hands-on experience in hardware and software troubleshooting, workplace systems, Microsoft 365-related support, user access, network diagnostics, equipment maintenance and technical documentation. Works with users, management and vendors to investigate issues and coordinate follow-up. Currently pursuing a Master's in Information Management.

TECHNICAL AREAS

Windows and device support | Microsoft 365 / Office 365 | Network and Wi-Fi troubleshooting | User access and endpoint-security support | Backup and data-protection support | Asset records | ICT reporting | Vendor coordination

PROFESSIONAL EXPERIENCE

Head of ICT/IT Support and Technical Manager

AMAECOM GLOBAL LIMITED | Aug 2025 - Jul 2026 | Abuja, Nigeria

- Supported day-to-day ICT operations, workplace systems and infrastructure maintenance.

- Handled hardware, software, Microsoft 365 and user-access support, with escalation for complex incidents.

Media Buyer/Customer Support Executive

YANNIS/JANIS MARKETING | Aug 2022 - Mar 2026 | Lagos, Nigeria

- Supported customers using digital platforms and CRM tools, and investigated account-level issues.

- Used HTML/CSS for customer-facing digital assets and maintained digital campaign records.

ICT and Digital Transformation Consultant | Independent Consulting

HB TRONICS ENGINEERING LIMITED | Apr 2021 - May 2025 | Abuja, Nigeria

- Supported business systems, SaaS platforms and cloud-based operational processes.

- Worked on DNS and email infrastructure support and investigated software-integration issues.

Information Communication Technology Support Engineer

Independent National Electoral Commission (INEC) - NYSC | Mar 2022 - Mar 2023 | Lafia, Nasarawa, Nigeria

- Supported computer hardware, operational database systems and field devices.

- Performed software updates, routine maintenance and troubleshooting for staff.

PROFESSIONAL EXPERIENCE, CONTINUED

IT Support and Systems Analyst | Public and Private Sector Engagements

MUHAMS ENTERPRISE | Apr 2019 - Feb 2021 | Makurdi, Benue, Nigeria

- Diagnosed network, hardware and software faults for users.

- Supported system deployment and technology integration, and recorded requirements and service activities.

Computer Technician

Self-Employed | Apr 2016 - Mar 2020 | Makurdi, Benue, Nigeria

- Installed, configured, repaired and upgraded computers, software and peripherals.

- Troubleshot network configuration and internet-connectivity issues for individuals and small businesses.

Freelance Proofreader | Computer Operator

SUNNYTEX COMPUTER AND BUSINESS CENTRE | Mar 2016 - Oct 2018 | Makurdi, Benue, Nigeria

- Prepared and checked digital documents, organised files and assisted with online submissions.

- Provided basic office-software and networking assistance as an early-career computer operator.
